Description	WRIT OF SUMMONS AND STATEMENT OF CLAIM (KUALA LUMPUR HIGH COURT) KLHC SUIT NO. WA-22NCVC-700-11/2026

Mesiniaga Berhad ("Plaintiff" or "the Company") wishes to announce that the Company had, on 17 November 2026, filed a Writ of Summons together with a Statement of Claim in the Kuala Lumpur High Court ("Court") against Assuring Technologies Sdn. Bhd. ("First Defendant") and Wan Rushaidi Imran bin Wan Abdul Razak ("Second Defendant") (collectively, the "Defendants").

The action was filed through the Company's appointed solicitor, Messrs Soo Thien Ming & Nashrah.

1. The Company is claiming, amongst others, the following reliefs:

(a) declaration that the Agreement has been validly rescinded or, alternatively, an order for rescission of the Agreement;

(b) recovery of RM6,757,982.60;

(c) damages;

(d) interest at the rate of 5% per annum from the date of filing of the suit until full payment; and

(e) such further relief as the Court deems fit.

2. Details of the circumstances leading to the filing of the Writ of Summons

The legal action arises from a dispute concerning the procurement of software licences and related support services for a project. The Company alleges that the Defendants had misrepresented the First Defendant's authority to supply the software licences and related services, upon which the Company relied in entering into the Agreement and making payments thereunder.

Following confirmation that the First Defendant was not an authorised reseller, the Company commenced legal proceedings against the Defendants for negligent misrepresentation and/or breach of contract, seeking rescission of the Agreement, recovery of the sums claimed and damages.

3. Financial & Operational Impact

The Company does not expect any immediate material operational impact arising from the litigation. The financial impact, if any, will depend on the outcome of the legal proceedings.

The Company will make the necessary announcements as and when there is further material development in relation to the legal proceedings.

This announcement is dated 17 November 2026.
